# DESIGN SHALA

The school is an initiative to provide a foundation in the practical field of **Architecture & Construction** to students and professionals. The school will help in understanding the various working systems and practical approaches in various contexts through hands-on training, traveling, discussions, seminars, presentations, lectures and many more.

This time the *Design Shala* is going to the *Laurie Baker Centre for Habitat studies* in Trivandrum, Kerala. An epitome of an expression of the life and work of sir Dr. Laurence Wilfred Baker. A seven days school is an experience that every Architecture persuant should have!

## ABOUT LBC

The **Laurie Baker Centre for Habitat Studies** in Trivandrum has been set up to propagate the philosophy and legacy of sir Laurie Baker, who charted a cost-effective, environment-friendly and local resource-based alternative to building construction in India. The campus amidst the lush green forest is a masterpiece showing people-friendly architecture, alternative sources of energy, waste management and sanitation.

04.
